They share the same blessing, the same curse. They can recognize monsters hiding behind normal faces. As they learn that each possess a special gift-sight, smell, hearing, and the ability to go undetected-they realize a neighbor, a teacher at their school is actually a monster of unspeakable terror bent on creating an army of slaves to do his bidding. Worse, the group has little time to convince anyone of what they see. But who would ever believe them? The Monster Club works against the clock to save their sleepy, beachside town and rid it of this monster once and for all. Someone might get hurt, but there is no time to be afraid.
