Clarkson Potter, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Trading Spaces is one of the top ten programs on cable TV, with more than 18 million weekly viewers. Now, Doug Wilson-who possesses some serious design credentials and was one of two Trading Spaces designers chosen for the show's high-profile \$100,000 episode-steps out of the show's budget and time constraints. Presenting fifteen rooms created especially for this book, he shows readers how to bring style and flair to their homes. The key to Doug's design genius is finding a touchstone-a swatch of fabric, a favorite knick-knack, a thrift-shop treasure-that will kick-start the creative juices and serve as a visual reference for choosing wall and floor colors and materials and selecting furniture, fabrics, and decorative objects. With Doug's advice on practical matters-like measuring an area or mastering painting techniques-and his suggestions for adding touches of surprise and humor, even novice decorators can design a room that reflects their unique taste and personality."
