All experience in textnal criticism would lead us, it seems to me, to believe that ouroriginal described our curious Mason as a man that heght Grecus --that was called a Grecian, or, that was named Grecus. This statement is preserved in Dumfries No. 4. Gradually the word heght, hite or hight went out of popular use, and its equivalent, was called and was named, were doubtless added, as notes, to many MSS. Then, in taking copies, from the form heght (called or named) Grecus we obtained height Naymus Grecus, named Namas...
