Ted Lindberg, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ted Lindberg is a complicated man. His story is as fascinating as it is engaging. He lived his early life impulsively, running away on a moment s notice, joining the army and then refusing to live by its rules, giving little thought in those years as to how his decisions affected others. It led to problems with his marriage and a drinking addiction that almost killed him. But in spite of that, his work ethic burned bright. He turned his skill as a lather into a booming business. Then, when he found sobriety, the pieces of his life snapped into place. In many ways, he saw things clearly for the first time. He was able to take the focus off himself and direct it toward his family, friends, and community. Ted s life is profoundly different now. He respects and cherishes the many gifts has been given, both for those he loves and for himself. This is one man s journey--but it s a journey that will resonate with us all.
