KAIROS, 2005. Book Condition: Nuevo. La homeopatía puede aportar una curación dulce, rápida y definitiva a la mayoría de enfermedades agudas que aquejan a niños y a adultos. Tras el éxito de sus libros anteriores, El remedio homeopático y Homeopatía, camino de vida (ambos publicados por Kairós), el doctor Didier Grandgeorge nos propone ahora un nuevo e indispensable texto: Homeopatía para los casos agudos. Se trata de una guía que ofrecerá al lector atento la solución homeopática a la mayoría de casos agudos que puedan surgir en la vida cotidiana. Naturalmente, el libro no pretende reemplazar la escucha y la ayuda del médico, sino que su finalidad es proponer claves que permitan a cada uno encontrar soluciones eficaces, en espera de una visita con el experto. Como es habitual en él, para cada dolencia el doctor Grandgeorge aporta datos sobre el simbolismo de la afectación, describe los síntomas y la evolución, y expone los remedios homeopáticos posibles de manera clara, añadiendo la problemática propia de cada caso, a fin de facilitar la elección del remedio adecuado.
