The guests were off the wall. The would-be groom was off the wagon. And the bride certainly wasn t blushing. Aside from that, it was the perfect occasion: a party for Hannah Ives s widowed father and the younger woman he had suddenly decided to marry. Then the evening takes a strange turn, with a sudden death and disappearance. For Hannah, the stunning turn of events came after a Christmas season slide into anger and confusion. First her father had found a floozy who had already buried three husbands. Then her late mother s jewelry started showing up around the gold digger s neck. Now Hannah, who has just put her life together after a bout with cancer, is desperately searching for her missing father. Because this poor man has either made a terrible mistake, committed a terrible crime, or fallen victim to a killer who seized the moment for murder.
