Brand New Book ***** Print on Demand *****.MANY works have been written on Expression, but a greater number on Physiognomy, that is, on the recognition of character through the study of the permanent form of the features. With this latter subject I am not here concerned. The older treatises, which I have consulted, have been of little or no service to me. The famous Conferences of the painter Le Brun, published in 1667, is the best known ancient work, and contains some good remarks. Another somewhat old essay, namely, the Discours, delivered 1774-1782, by the well-known Dutch anatomist Camper, can hardly be considered as having made any marked advance in the subject. The following works, on the contrary, deserve the fullest consideration.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
