Portrait of a Seeker (Paperback)

By David W Weimer

One and Only Press, United States, 2012. Paperback. Book Condition: New. 244 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****. I painted this sandcastle in one long summer day because I've watched other books, unwritten and unread, as they fell into holes and thought, What a shame--no one will ever know what that person knew. The author writes about the meaning of life and thinks he found it. He has a view that he wants to share: I believe every self-aware creature should be allowed to find its place. In PORTRAIT you will find short stories; poetry; journal entries; correspondence with others on the path of seeking meaning; accounts of living in America and abroad; anecdotes of idealistic undertakings and a love story. This book is an impression left in the soft mud of existence. A million years from now, Weimer muses, an archeologist might uncover its fossilized, unreadable form and wonder briefly.
