

## Lippincott's Illustrated Reviews: Physiology (Paperback)

By Robin R Preston, Thad Wilson

Lippincott Williams and Wilkins, United States, 2012. Paperback. Book Condition: New. annotated edition. 274 x 206 mm.

Language: English . Brand New Book. Lippincott's Illustrated Reviews: Physiology brings physiology clearly into focus, telling the story of who we are, how we live, and, ultimately, how we die. By first identifying organ function and then showing how cells and tissues are designed to fulfill that function, Lippincott Illustrated Reviews: Physiology decodes this discipline like no other text or review book. Each element was tailored for ease of use and fast content absorption, all combining to bring this story to life for readers. Visionary artwork, Clinical Applications, and Unit Review Questions teach and reinforce the most essential concepts in physiology perfect for classroom learning and test/boards preparation! Features: More than 600 lively, full-color illustrations, the hallmark of the series, painstakingly, and often humorously, guide readers step by step through complex processes. Overviews and Chapter Summaries set clear goals for topic mastery and reemphasize essential concepts from each chapter in a coherent framework. Clinical Applications boxes and clinical images encourage readers to apply their knowledge, taking them from the classroom to the bedside. Margin Example Equation boxes and in-text boxes highlight memorable information and keep physiology...
