## Music in the French Royal Academy of Sciences: A Study in the Evolution of Musical Thought (Paperback)

By Albert Cohen

Princeton University Press, United States, 2014. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. This book describes a colorful period in French social and cultural history, during which music and science combined to provide the intellectual and aesthetic spirit of the Age of Enlightenment with an enormous vitality. Investigating the place assigned to music in France's preeminent scientific institution, the Paris Academy, the author shows the role played by the scientific movement in the evolution of musical thought prior to the Revolution. Originally published in 1982. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions.
