Brand New Book ***** Print on Demand *****.We are living at a time in history when the nations of the world are gripped by debt and poverty. The problems of the nations and their governments have been replicated through to their inhabitants. The world is in crisis! The Bible instructs that God gives the ability to produce wealth. If this is the case then you can assume that God gives a pattern for how it is to be produced and then spent. The Generous Heart looks at a biblical pattern of how to provide a generational financial blessing. Looking at both historical and modern day examples of individual and corporate concerns. The book looks at basic Jewish principles and looks to see what would happen if these principles were adopted by Christians and those of no-faith. The book has been endorsed by leading Christian leaders including: Tony Fitzgerald (COTN Richmond, USA); Dr Clem Ferris (Grace Churches International, North Carolina, USA); Michael Puffett (Jubilee Church, Maidstone, UK); Ken Turner (El Shaddai, Cape Town, South Africa); Chris Cole (Founder of Cross Rhythms Radio); Michael Myers (The River Church, Exeter, UK). The book is an easy read and includes examples from the authors of life. The author is a Christian pastor and conference speaker who has worked for and advised many of the world s leading accountancy and investment companies.
