If you could have any animal s front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal s survival. At the end of the book, children will discover why their own teeth are just right for them. And they ll also get a friendly reminder to take good care of their teeth, because they re the only teeth they ll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal s teeth on the right.
