The Commission is co-chaired by the Speaker of the House and the President Pro Tempore of the Senate and has five additional members appointed from each house of the General Assembly. Among the Commission s duties is that of making or causing to be made, upon the direction of the General Assembly, such studies of and investigations into governmental agencies and institutions and matters of public policy as will aid the General Assembly in performing its duties in the most efficient and effective manner. (G.S. 120-30.17(1)). At the direction of the 1981 General Assembly, the Legislative Research Commission has undertaken studies of numerous subjects. These studies were grouped into broad categories and each member of the Commission was given responsibility for one category of studies. The Co-chairmen of the Legislative Research Commission, under the authority of General Statutes 120-30.10(b) and (c), appointed committees consisting of members of the General Assembly and of the public to conduct the studies. Co-chairmen, one from each house of the General Assembly, were designated for each committee. The study of coastal area management was directed by subdivision (26) of Section 1 of Resolution 61 of the 1981 Session Laws. Its purpose was to examine the rules and regulations pertaining to the Coastal Area Management Act. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
