Createspace, United States, 2014. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****. Utopia of Usurers and Other Essays by G. K. Chesterton: Publisher: Kindle E-Book Edition: ISBN-13: 978-1-78379-127-9 An engaging work sure to appeal to both scholars and students for the depth of its thought and the freshness of its claims, this is a two-part book by one of the 20th century s greatest writers. The first part is a coherent analysis of the theory, effects, and claims of capitalism. The second is a lengthy collection of articles from Chesterton s vast journalistic output. The author challenges the fundamental tenets of capitalism without favoring socialism or Marxism by providing a philosophical analysis of the pitfalls, drawbacks, and falsehoods regarding capitalism and its inevitability. This is must reading for any serious investigation into anti-capitalist thought. It is also an exemplary text of how Christian principles and thinking apply to the socioeconomic world. Publisher: Catholic Way Publishing. This Paperback is the ideal small size of 5 x 8.
