

The Really Useful Book of Science Experiments: 100 Easy Ideas for Primary School Teachers

By Tracey-Ann Aston

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, The Really Useful Book of Science Experiments: 100 Easy Ideas for Primary School Teachers, Tracey-Ann Aston, The Really Useful Book of Science Experiments contains 100 simple-to-do science experiments that can be confidently carried out by any teacher in a primary school classroom with minimal (or no!) specialist equipment needed. The experiments in this book are broken down into easily manageable sections including: * It's alive: experiments that explore our living world, including the human body, plants, ecology and disease * A material world: experiments that explore the materials that make up our world and their properties, including metals, acids and alkalis, water and elements * Let's get physical: experiments that explore physics concepts and their applications in our world, including electricity, space, engineering and construction * Something a bit different: experiments that explore interesting and unusual science areas, including forensic science, marine biology and volcanology. Each experiment is accompanied by a 'subject knowledge guide', filling you in on the key science concepts behind the experiment. There are also suggestions for how to adapt each experiment to increase or decrease the challenge. The text does not assume a scientific background, making...
